SECTION D--INSTRUCTIONS TO OFFERORS

D4.3.5 Offeror's General Information. A completed Offeror General Information Form from Section E.

D4.4 Contents of Volume II – Technical Proposal. The technical proposal shall be identified as Volume II of the offer and shall be orderly, specific, and complete in every detail. It should be presented in a manner which allows it to "stand alone" without the need to reference other documents. No price/cost information relating to this project shall be included in Volume II of the proposal. If pricing information is included on any pages in Volume II, the Contracting Officer may remove the pages before evaluation. Volume II will include the following:

D4.4.1 Cover Page. The first sheet of paper of Volume II must show –

- (a) The solicitation number; and
- (b) The name, address, and telephone and facsimile numbers of the offeror.

D4.4.2 Table of Contents. The Table of Contents shall be on the second sheet of paper and list all the forms and information contained in the technical proposal. Any future additions and/or revisions to the technical proposal shall include a revised Table of Contents if necessary.

D4.4.3 **Offeror's Capability Information.** The Government will assess the performance risk associated with an offeror's evaluated capability to perform the project identified in this solicitation. The Government will assess the capability of each offeror on the basis of the following capability subfactors: Technical Capability, Organizational Past Performance, and Organizational Experience. (Important: Additional instructions may be included within some of the forms attached after Section E.)

D4.4.3.1 Technical Capability. The offeror shall include a completed **Offeror's Technical Capability Form** from Section E in its technical proposal. Discuss the capabilities of your company that fulfill the Government's requirements described in the solicitation. Discuss your understanding of the inherent risks posed by the requirements of the solicitation, and how your proposal mitigates those risks. The offeror shall attach completed **Pilot Information Forms** from Section E.

D4.4.3.1.1 Technical Capability of the Offered Aircraft. The offeror shall include a completed **Aircraft Questionnaire Form** from Section E for the aircraft to be utilized under the contract. Describe the proposed aircraft and how it will fulfill the Government's requirements for support of Palmyra Atoll NWR.

D4.4.3.2 Organizational Past Performance. Past performance is a measure of the degree to which an offeror satisfied its customers in the past and complied with Federal, state, and local laws and regulations. The Government will contact some of the offeror's customers to ask whether or not

they believe: (1) that the offeror was capable, efficient, and effective; (2) that the offeror's performance conformed to the terms and conditions of its contract or subcontract; (3) that the offeror was reasonable and cooperative during performance; and (4) that the offeror was committed to customer satisfaction. In evaluating past performance the Government will contact some of the references provided by the offeror as well as other sources of information, including, but not limited to: Federal, state, and local government agencies, Better Business Bureaus, published media, and electronic data bases.

D4.4.3.3 Organizational Experience. Experience is the opportunity to learn by doing. The Government will evaluate each offeror's experience on the basis of its breadth, its depth, and its relevance to the work described in this solicitation.

D4.4.3.4 Experience and Past Performance Form. The offeror shall provide information about its organizational experience and past performance by completing the **Experience and Past Performance Form** in Section E for referenced projects or contracts and including the forms in the technical proposal. Discuss contracts undertaken by the offeror (or under joint ventures) for work related to or of a similar nature as required by this solicitation. Information older than the last three year period is not desired unless it is particularly pertinent to your current capability. In the event a company has not done business under its present organizational name and status for the last 3 years, other experience brought to it by principals or through mergers or similar corporate creations may be included. The Government may reject all proposals that fail to submit information on all relevant contracts and/or subcontracts for the past 3 years.

D4.5 Late Submissions, Modifications, Revisions, and Withdrawals of Offers.

D4.5.1 Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 2:00 p.m., local time, for the designated Government office on the date that offers or revisions are due.

D4.5.2 Any offer, modification, revision or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and--

D4.5.2.1 If it was transmitted through an electronic method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than
